INFO ON PREFERRED AMMUNITION:

In Canada certain warranties are required by Provincial law: this warranty is in addition to and not a modification of or a subtraction from any required Canadian warranty, and it does not exclude or limit required warranties or any of the rights of remedies that are available in Canada under Canadian law.

**INSTRUCTIONS FOR RETURN** – Failure to follow the instruction below will not prevent you from obtaining warranty service. These instructions are designed to assure you of the best possible service. If for any reason you should have to return the firearms, please use extreme caution and make certain that it is **UNLOADED**. Please return the complete firearm.

1. Package the firearm securely to prevent damage in transit. Use original factory case to secure transport.
2. Ensure that a letter is securely and obviously attached to the firearm. This letter should include your full name, address and telephone number where you may be reached both during normal business hours and at your residence, and include a thorough description of the problem that you encountered with your firearm so that we may make proper repairs. Record any alterations or gunsmith work done on your pistol before damage.
3. Include your prepaid insurance and UPS/FedEx Next Day Air tracking receipts with your instructions for repair. You will be reimbursed for documented shipping and insurance costs directly from the Warranty service.
4. Please include a photocopy of your proof of date of purchase (sales slip, credit card receipt and canceled check, BATF form 4473, Etc.) include with your letter the date that the firearm was originally purchased at retail. Do not send the original proof of purchase, as the copy sent will be retained.
5. If you live in the United States, send your firearm to one of the CARACAL Authorized Service Center for CARACAL products. If you live in Canada, send it to one of the CARACAL Authorized Service Centers in Canada.
6. **WHERE TO GET FURTHER HELP** – If you wish further help or information concerning this warranty, please write or call the USA Product Service Department at the following address:
